- (v) Students who, after having completed their educational career in one professional line, wish to study for another profession e.g. LLB after B.T./B.Ed. will not be eligible. From the academic year 1980-81, however, studies in two professional courses are allowed.
- (vi) Students studying in Class XI of Higher Secondary Schools which have a continues school course of 12<sup>th</sup> class will not be eligible. **NOTE 1 :** Since it is clearly mentioned under the item III (condition of eligibility) of these regulations that the scholarship will be given for the study of all recognised post-matriculation or post-secondary courses pursued in recognised institutions, the list of courses grouped (I to IV) is, thus, only illustrative and not exhaustive. The State Governments/Union Territory Administrations are, thus, themselves competent to decide the appropriate grouping of courses at their level as advised vide Ministry of SJ & E's letter No.11017/13/88-Sch.Cell, dated 3.8.1989.

Only in the case where both the parents (or husband in the case of married but unemployed girl student) have died, the income of the guardian who is supporting the student in his/her studies has to be taken. Such students whose parents' income is affected due to unfortunate death of one of earning parents and resultant comes within the income ceiling prescribed under the scheme, shall become eligible for scholarship, subject to their fulfilling other conditions of eligibility, from the month in which such sad incidence takes place. Applications for scholarships from such students can be considered even after lapse of last date of receipt of applications, on compassionate grounds.

### ➤ Re-engineering of Fund Flow

The DBT system seeks to ensure that the flow of funds to the beneficiaries under the various schemes is made more efficient by removing such redundant layers which do not contribute value to decision making. There are redundant layers of procedure and sometimes only-aggregate data leading to delay and inefficiency. Process re-engineering of the scheme and its architecture is therefore necessary at State level as well as at levels below. This must be in both decision making as well as funds flow. In order to ensure that the State share of the scholarship amount is paid into the bank account of the beneficiary speedily by passing through the minimum number of layers possible, the manner of deciding which levels in government will be part of selection/ authorization process and which levels participate in the fund flow route of the Post Matric Scholarships for STs in each State is to be urgently re-engineered and the Ministry informed of the completion of the exercise.

### ➤ Training

NIC to coordinate training of state/ district level functionaries. State and district teams of trainers to get ready through training by NIC in the next two weeks. Progress on arranging this tie up be reported.

### ➤ Monitoring Rollout and reporting of progress in I & II Phase.

A robust monitoring system for monitoring the rollout should be put in place by the State/UTs and intimated to this Ministry. The States may formulate an Action Plan with timelines for completing the above mentioned preparatory work so as to ensure successful rollout of DBT in the Phase II districts w.e.f. 17.3.2013. Weekly progress report in prescribed format must be provided to the nodal officer DBT in the Ministry by every Thursday.

5. It is requested that your compliance report in respect of the above mentioned key issues may also please be sent immediately to Ms. Shyla Titus, Deputy Secretary (DBT) in this Ministry under intimation to the undersigned.

Yours faithfully,

(Roopak Chaudhuri)

Sub: Streamlining and fast tracking release of various Central Government scholarships - regarding.

The Government of India is administering various scholarship schemes for the students belonging to Scheduled Castes, Scheduled Tribes, Other Backward Classes, Minorities and Persons with Disabilities. These scholarship schemes are being administered through Ministry of Social Justice & Empowerment, Ministry of Tribal Affairs and Ministry of Minority Affairs. It is noticed that there are inordinate delays in actual release of these scholarships resulting in hardship to the beneficiary students.

2. In view of the above, the following decisions regarding scholarships under the respective Schemes of the Ministries of Social Justice & Empowerment, Tribal Affairs, Minority Affairs, are hereby conveyed for necessary compliance to ensure timelines in disbursement of scholarships under these Schemes:

(i) From the next academic year onwards (2015-16), all scholarships shall be released directly to the Bank Accounts of the beneficiary students with or without Aadhaar. As such, each intended beneficiary student will need to have a bank account. Wherever the beneficiary student does not have the bank account, the account of the parent (preferably mother) should be considered for transfer of the scholarship amount.

The scholarship amounts to be transferred would cover the Central Government's share of scholarship. The scholarship amount so transferred would be lump sum of all items under different sub-heads which will be clubbed together and transferred.

(ii) The special assistance being provided to students with disabilities (for aids and appliances, assistance for helper or other support measure) would be separately accounted for.

(iii) It would be the responsibility of the concerned administrative Ministry of the Central Government to ensure that scholarship are released by State Governments/UT Administration to the beneficiary students every quarters without fail.

Note:

The Government of Jammu & Kashmir UT has revised the Scholarship Rates (Fee Amount) vide Government Order No: 129-JK (TAD) of 2022 Dated: 22-07-2022 under the said Scheme and the Scholarship amount as admissible is being provided as per revised rates during the year 2022-23 to the eligible ST students as per below/attached details.
