# **SCHEME OF PRE-MATRIC SCHOLARSHIPS TO THE OTHER BACKWARD CLASSES FOR STUDIES IN INDIA**

## **1. OBJECTIVE**

Even after 51 years of independence and in spite of various measures taken to improve the level of education in the country, literacy levels among backward classes, particularly among women, continues to be extremely low. The number of steps have already been taken by the Government and considerable progress has been achieved in improving the level of literacy and education during the last 51 years, but there is still a long way to go before respectable levels of literacy are achieved, It has been recognized now that education and economic support for backward Classes has not been adequate and there is disparity between them and the non-backward sections of the population at every level. In view of the same, it is felt that earnest efforts are required to introduce various new schemes specifically for these target group i.e. backward classes to provide them a level playing field in comparison to non-backward sections of the population.

The position of women in terms of literacy among OBCs population is also a cause of concern. Considering the important role of women in shaping the size of the family and outlook of its members, investment in improving education among women of these communities will not only improve their social and economic status, but will also help in accelerating the socio-economic development of these communities and the nation as a whole.

Experience shows that children of OBCs from the poorer section do not go to schools as they often have to provide a helping hand to their parents in traditional occupation or otherwise supplement the family income. It is considered that a scheme of Pre-matric Scholarship would be helpful in spreading education amongst such children especially amongst the girl child of weaker sections. A scheme of Pre-matric Scholarship for the benefit of children belonging to Weaker Section amongst OBCs has been formulated with the object in view.

## **2. SCOPE**

OBCs living below double the poverty line form a bigger chunk of a population and there are disparities amongst OBCs themselves to start with, it is proposed to award scholarship to school going children of poorer OBC parents whose annual income is below double the poverty line.

## **3. ELIGIBILITY**

Scholarship award will be sanctioned in the case of students whose parents/guardians income from all sources does not exceed Rs.2,50,000/- per annum.

**Note 1:** So long as either of the parents (or husband in the case of married unemployed girl student) are alive, only income of the parents/husband, as the case may be, from all sources will be taken into account and of no other members even though they may be earning. In the form of income declaration, income will be declared on this basis. Only in the case where both the parents (or husband in the case of married but unemployed girl student) have died, the income of the guardian who is supporting the student in his/her studies will have to be taken into consideration. Such students whose parent's income is affected due to unfortunate death of one of earning parents and resultantly comes within the income ceiling prescribed under the scheme, shall become eligible for scholarship, subject to their fulfilling other conditions of eligibility, from the month in which such sad incidence taken place. Applications for scholarships from such students can be considered even after lapse of last date of receipt of applications, on compassionate grounds.

**Note 2:** House Rent allowance received by the parents of a student shall be exempted from the computation of 'income' if the same has been permitted to be exempted for purpose of Income-Tax.

### **12-A. 'FUNDS-LIMITED' NATURE OF THE SCHEME AND PROCEDURE FOR CAPPING**

While it is the intention of the Government to provide assistance for giving scholarship to all eligible students, it has not always been possible for the Central Government to do so. Therefore, the budget allocated will be apportioned to States on pro-rata basis, based on OBC population and other such criteria. Accordingly, a notional allocation (NA) under the Scheme is being conveyed at the beginning of each financial year to States/UTs, with the request to send proposals within the NA. The broad procedure followed is as below:

- (i) At the beginning of each financial year, notional allocation(NA) of funds of States/UTs is made by this Ministry, from the overall annual outlay of the Scheme, on the basis of population of each State/UT, excluding

States/UTs having no notified list of OBCs (viz. Arunachal Pradesh, Meghalaya, Mizoram, Nagaland and Lakshadweep).

- (ii) States/UTs will incur expenditure under the Scheme at least to the sum total of "Central Assistance or NA and matching State share", and should normally limit the number of scholarships accordingly.
- (iii) However, they would be free to allocate funds from the State-Plan, over and above the sum total of "Central Assistance or NA and matching State share" for funding additional scholarship under the Scheme. Any such additional expenditure will have to be borne by the State Government/UT Administration itself, and will generally not be eligible for reimbursement from the Centre. However, such additional expenditure incurred by a State/UT may be considered for reimbursement by the Central Government, to the extent of availability of savings (mainly from States which are not able to fully avail of their notional allocation, for any reason), towards the end of a financial year.

The guidelines and the above procedure lay down the broad principles for implementing the "Capping" feature. Each State Government/UT Administration may work out its State/UT-specific detailed modalities (within the broad guidelines of the Scheme) for implementation of the Scheme including this Capping feature. The States/UTs should send their respective modalities as formulated, to this Ministry, for its information and record.

### **13. PATTERN OF FINANCIAL ASSISTANCE**

50% central assistance will be provided to State Govt. The scholarship money will be paid to the selected students by the State Govt./UT Admn. to which they belong in accordance with the procedure laid down by the State Govt./UT Admn. in this regard. Remaining 50% will be borne by the State Govt. The conformed budget availability towards State Govt. share of assistance will have to be shown by concerned State Govt. while applying for the central assistance under the scheme. In case of UTs 100% central assistance will be provided.

### **14. MONITORING**

The monitoring of the financial and physical performance of the scheme will be done through seeking detailed information from the Agencies implementing the Scheme. On the physical aspects the Agencies implementing the scheme will be required to furnish quarterly progress report regarding the number of beneficiaries receiving award under the scheme, both class-wise and gender-wise. On the financial year and expenditure proposed for the present financial year will be submitted by the Agencies concerned.

The Agencies implementing the scheme will also be insisted upon to submit the latest audited accounts.

## **15. EVALUATION**

The Ministry of Social Justice & Empowerment may get the scheme evaluated by entrusting a research study to reputed institutions/ agencies, on the performance of the Scheme in different parts of the country, under this Ministry's centrally sponsored Scheme of Research and Training.
